

Turtle Tracks

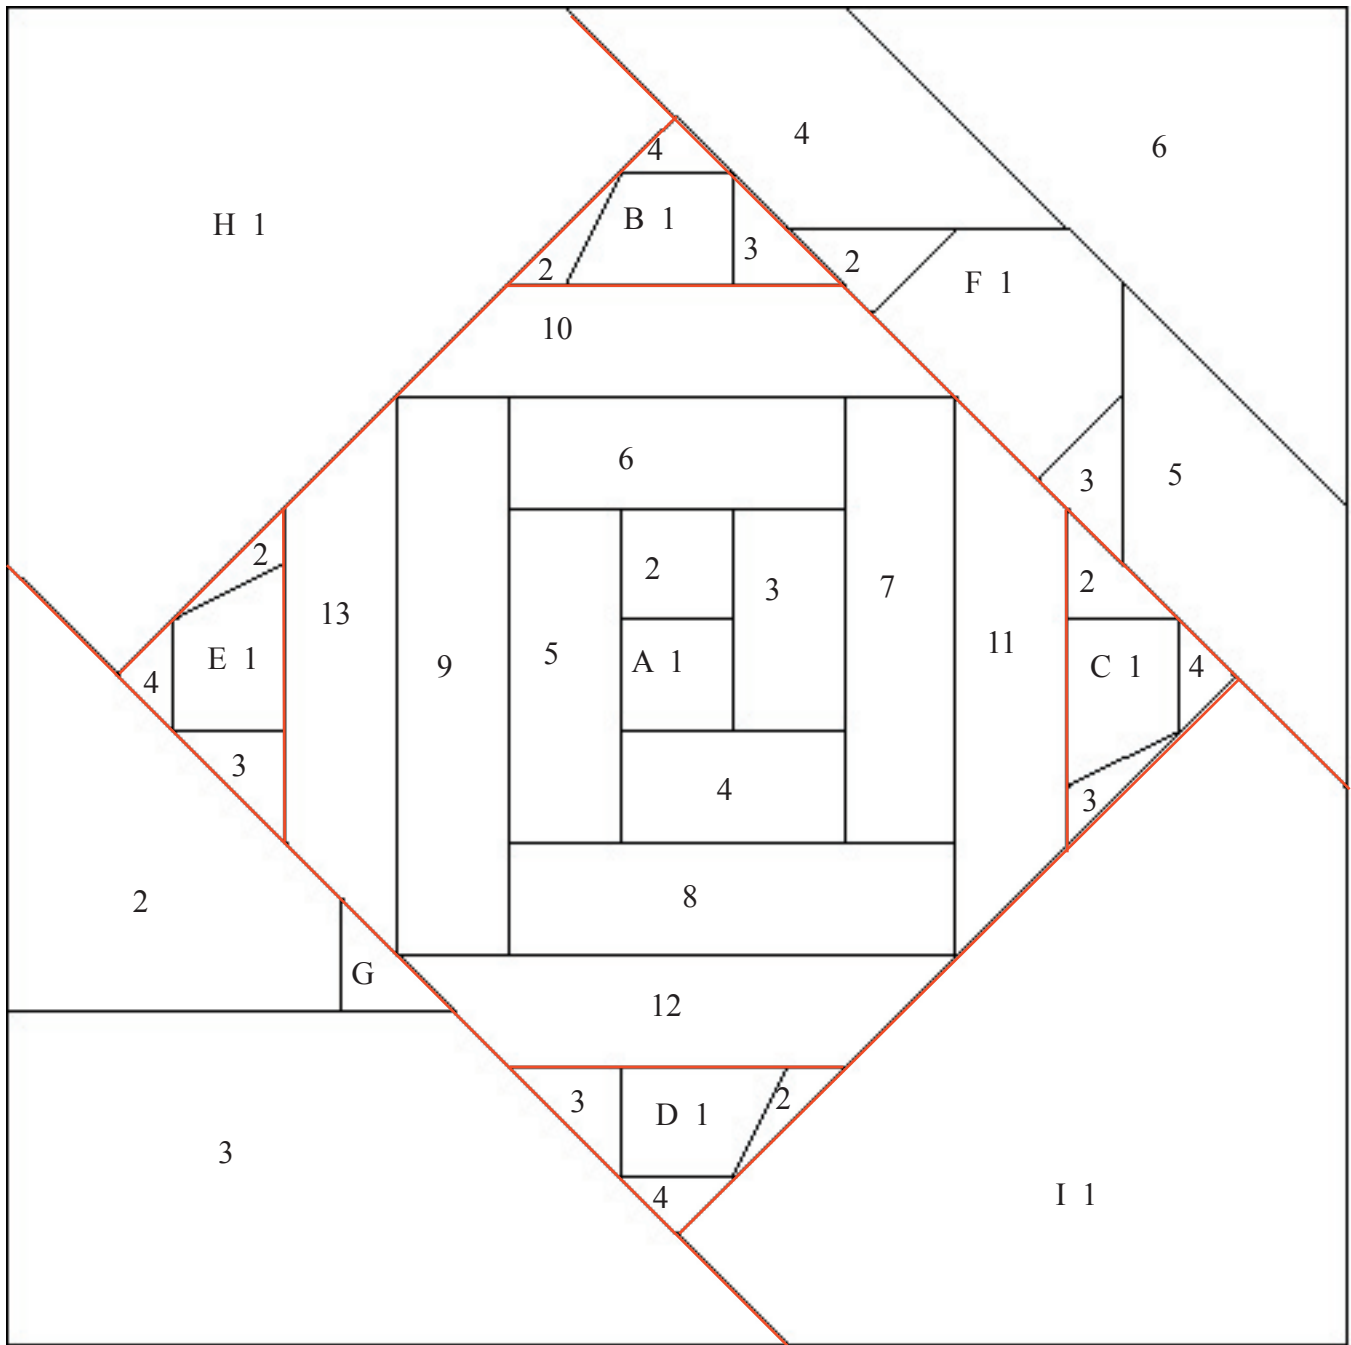

An original paper-pieced pattern designed by Melisa McCurley for At Your Whimsy
Provided free for your personal use. Copyright laws apply.

Combine the blocks however you like. In this example, 7" blocks and a 2" border make a cheerful 32" x 32" wallhanging.

Cut pattern apart on red lines and add 1/4" seam allowance to each piece. Piece each section, press them, and trim with a rotary cutter and ruler, remembering to trim them 1/4" larger than the pattern if you did not add the seam allowance to your pattern. Put them together in this order, pressing carefully after adding each section:

- Sew B, C, D, and E to A
- Sew H & I to ABCDE
- Sew F & G to ABCDEHI
